

"Buckle up for a transformation"

This is Your Call to Action!

When Israel was at the doorstep of Canaan, their spies told them that there were giants in the land. Fear caused that generation to lose their inheritance. There are still giants in the land sowing the seeds of fear and doubt in our lives. In Matthew 16:18 Jesus told Peter that He would build His church, and the gates of Hell shall not prevail against it. Gates in the Bible were a structure for defense. Have we missed that Hell should always be on the defensive and the Church on the offensive? It's time to cast aside our fear and run to the battle on the path God has set before us, doing His good works that He has prepared for us.
